

FOR IMMEDIATE RELEASE

First of six workshops slated for May 12th at Highland March Office Business Centers

Jacqueline Collins and Judith Bowman to present

The Inside Edge: A Mastermind Business Series

BRAINTREE, MA, ISSUED APRIL 21, 2009...Jacqueline Collins, President/Founder of Partnering for Performance in collaboration with Judith Bowman, President/Founder of Protocol Consultants International will present a special workshop series that addresses the key factors in business sustainability and growth.

“The Inside Edge – Your Guide to Grow and Flourish in Today’s Economy” will kick-off its six workshop series on May 12th at Highland March Office Business Centers, 25 Braintree Hill Park, Suite 200 in Braintree. Subsequent workshops are scheduled for June 16th, July 14th, August 11th, September 8th and October 13th. Each workshop will run from 8:30 to 10:30 a.m.

Collins and Bowman will cover a wide range of topics during the high energy, interactive workshops including:

- Business planning strategies and tactics
- Financial basics
- The importance of public relations
- How to best serve customers during today’s economic landscape
- Professional presence
- Networking and presentation skills

Workshops are limited to ten participants.

For additional information or to register for The Inside Edge series contact Jacqueline Collins at jacollins@pfconsult.com or at 781-982-8812.
